

## **HOLIDAY BUSINESS GREETING CARD**

**Cover Message:** With Gratitude & Appreciation This Holiday Season

**Inside Note:** These past three years we've seen the devastation caused by COVID-19. Today, as a society, we're still feeling its impact. As 2022 comes to a close, we wanted to congratulate you on surviving it all.

One crucial lesson the global pandemic has taught us is how few guarantees life offers. The emotional and economical challenges faced by countless members of our community are beyond what anyone might have expected. When you add the current recession to that equation, it can quickly become unbearable.

Despite these extreme issues, your loyalty has remained steadfast. It is because of this that **[Client Name Private]** emphatically renews our commitment to each of you. We vow to continue offering excellent services and to help us with that, we are especially proud to welcome two new members to our family.

The **[Client Name Private]** future is bright. We are thrilled to have you, our valued clients, onboard with us and look forward to working with you on the upcoming tax filing season.

Together, let's be thankful and prepare for a most prosperous 2023!
